BE KIND, WORK HARD, AIM HIGH

RAISE

Raise-AP is an alternative provision provider in Hampshire, supporting young people who have faced challenges in mainstream education. Our moto is **BE KIND, WORK HARD** and **AIM HIGH**.

Our **RAISE** values, centred around the unique needs and strengths of each young person, are at the heart of everything we do, aiming to reintegrate our young people into school and community life by building confidence, social skills and emotional development, ensuring they're ready to succeed.

We put emphasis on **RESILIENCE**, have the right **ATTITUDES** for success, bespoke of education to spark an **INTEREST**, empower our young people with **SELF-CONFIDENCE** and value **EMPATHY** and the importance of showing kindness and tolerance to all in our community.

We aim to prepare our young people for their pathways into young adulthood by providing recognised qualifications in key core and foundational subjects. Bespoke academic pathways from GCSE to ASDAN alongside life skills and employability are our goals, with the aim of giving our young people the opportunity to succeed now and in their future.

For more information, visit our website or call us for more information about how we can support your school or local authority and how to make a referral.
